Written Response

All fields below are a maximum of 250 words.

Please provide an introduction by telling us about yourself and your involvement in the Canadian beef industry.

What are your goals for the next five years? What are your long-term goals? How do you see the Canadian CYL Program helping you achieve these goals?

Tell us about something you are proud of and why.

What is a challenge you see facing the Canadian beef industry? Tell us about your ideas for a solution or strategy to address this challenge?

Who would be your ideal mentor in the program and why? If you don't have a specific person in mind, please describe what characteristics and skills your ideal mentor would have. What do you hope to gain from a mentorship to help you meet your goals?

Timing wise, why is this a good year for you to be accepted into the program? Why is it important to take time away from your day to day to invest in this opportunity with the Canadian CYL Program?
